

Rolling Call for Entries - Solo Exhibits Maryland • Arizona

“Artists & Makers Studios is dedicated to providing a supportive and vibrant environment for artists to realize their creative goals – through studio practice, collaboration, education, opportunities, networking and connecting with the community beyond our doors.”

In keeping with our vision statement, Artists & Makers Studios locations offer outstanding and unique opportunities for the region’s curators and artists to collaborate and exhibit quality works of art in a supportive professional environment.

Are you tired of entering your work in group exhibits that end up looking like a very mixed bag in the ‘gallery of the month’ and really mean nothing as a line on your resume? Our exhibits are getting attention in the local press, and hundreds of guests turn out for our openings!

We offer a wide variety of artists and makers in a range of practices the opportunity to present a cohesive body of work to the local arts community in a supportive environment which allows artists to learn more about designing, curating, and executing professional exhibits with the guidance of our curators.

Artists & Makers Studios now hosts a number of Curator’s Labs for exhibitions in our studio centers. Our curators will offer calls for entry and exhibits with invited artists. As a part of our regular schedule, Artists & Makers Studios is committed to providing guest curators with a supportive and collaborative environment as they plan and execute shows. Exhibits are now booking up to three years out.

Artists & Makers awards juried solo, mini-solo, and curated group exhibitions for a number of artists during the calendar year in our galleries.

In Maryland artists can choose from our 361 sq ft Curator’s Lab, our 224 sq ft Curator’s Lab, and our Gallery Hall with (54.5 linear feet of 9’ high hanging wall) for month long exhibitions with wine and cheese receptions/Open Studios.
